INCLUDING ITS BLENDED COMPONENT UNIT  
CENTER FOR INNOVATIVE TECHNOLOGY  
HERNDON, VIRGINIA**

**REPORT ON AUDIT  
FOR THE YEAR ENDED  
JUNE 30, 2009**

## **AUDIT SUMMARY**

Our audit of the Innovative Technology Authority, including its blended component unit, the Center for Innovative Technology, for the year ended June 30, 2009, found:

- the financial statements are presented fairly, in all material respects;
- no material weaknesses in internal control over financial reporting; and
- no instances of noncompliance or other matters required to be reported.

We have audited the basic financial statements of the Innovative Technology Authority, including its blended component unit, the Center for Innovative Technology, as of and for the year ended June 30, 2009, and issued our report thereon, dated October 16, 2009. Our report, included in the Center for Innovative Technology's Annual Report 2009 is anticipated to be issued on December 1, 2009, and will be available at the Auditor of Public Accounts website at [www.apa.virginia.gov](http://www.apa.virginia.gov) and at the Center for Innovative Technology's website at [www.cit.org](http://www.cit.org).

## INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS

We have audited the basic financial statements of the business-type activities of the Innovative Technology Authority, a component unit of the Commonwealth of Virginia, and its blended component unit, the Center for Innovative Technology as of and for the year ended June 30, 2009, and have issued our report thereon dated October 16, 2009. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Authority's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the entity's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that

a misstatement of the entity's financial statements that is more than inconsequential will not be prevented or detected by the entity's internal control over financial reporting.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the entity's internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control over financial reporting that might be significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

### Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

### Report Distribution and Exit Conference

The "Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters" is intended solely for the information and use of the Governor and General Assembly of Virginia, the Boards of Directors and management, and is not intended to be and should not be used by anyone, other than these specified parties. However, this report is a matter of public record and its distribution is not limited.

We discussed this report with management at an exit conference held on October 20, 2009.
